

Overview of the Growth Track

Our Growth Track is designed to connect with the people and mission of Milestone Church. It consists of classes to help grow their faith, learn about the values of the church, and make friends with others who are new to our environment.

These three classes are:

Discovery 101

A two hour luncheon hosted every month where our lead pastor shares the story, heart and vision of Milestone Church. The class outline comprises of:

- The Gospel Message
- Our Mission (Vision, Beliefs, Values and DNA)
- Our Values (Includes Strategies: Weekends Service, Small Groups, Growth Track and Serve Team)
- Our Structure (how our church is structured and what it means to be a member)
The participants are given an opportunity to join, but it's not required or expected for attending.

Serve Team 201

The Serve Team is made up of amazing volunteers who use their gifts to serve in our church home and in our community. Serve Team 201 is an hour and a half class hosted every month where participants have the opportunity to discover their unique gifts with a spiritual gifts assessment, learn about the ministries they can serve with and meet the ministry leaders.

Topics we cover:

- Spiritual Family
- Salvation and Water Baptism
- Missional Living
- The Baptism with the Holy Spirit
