

SALVATION RESPONSE STRATEGY

PASTORAL CARE - "GIFT FOR YOU" TEAM

IDENTIFY

During the salvation moment in service, with heads bowed, those who made a faith decision are asked to raise their hand to receive a card from the Usher Team that will help them with their next step.

GIVE A NEXT STEP

As each person who has raised their hand receives a "Gift For You" card, they are told about how we want to help them in their journey with a gift for them. The card encourages them to take the next step and helps them identify where to go after service.

BE AVAILABLE

We have ministry teams available at a predetermined, clearly marked location outside of the Worship Center doors for people to redeem the Gift For You card and connect with someone at the end of service.

The Gift For You Team is prepared to make each person feel seen, celebrated and equipped to start a relationship with Jesus. The gift includes a Bible and a copy of Jeff Little's book, Closer.

CONNECT

The team at each location is prepared to connect with each individual to:

- Take their card & give them the gift
- Listen to their story
- Pray with them & celebrate their decision!

FOLLOW UP

The most important part of this process is follow-up. We take care to make sure each person receives a follow-up from our team and is provided with a next step to get connected in the church.
