## Leo, Armani, & Nick

Leo, Armani, and Nick all camp to camp last year and come to Elevate often, but had never surrendered their lives to Jesus.

Their friends, Grant & Ezra, brought them to camp again this year. During the week at camp, God was seeking after them.

During the second night of camp, Leo responded to an altar call with his small group leader. After talking for a while, his leader asked him if he wanted to give his life to Jesus and Leo said, "Yes!" Later that night, during small group, their leader asked Nick and Armani as well, and they decided to go all in with Jesus and receive salvation!

Now, all 5 of these varsity football players are going home with a relationship with God and ready to live for Him!

## Gracie & Lexi

Gracie has been praying for her family and younger sister, Lexi, coming into camp. During night two worship, Gracie heard God speak “surrender” about her sister Lexi.

At the end of the service, the call was given for anyone who wanted to fully surrender to Jesus.

Lexi responded, and Gracie saw her prayers answered before her eyes! Lexi said, “I felt a weight lifted completely off.”

## Moises

Moises came into camp carrying confusion, doubt, and anger at not hearing God speak.

He was struggling with addiction and shame from that but came down for prayer and confessed those sins he had never told anyone before about.

He wants to be able to share with others how impacted and transformed he’s been by the love of Jesus. He is walking away from camp unashamed and with a new fire to share the Gospel!

## Jake (small grup leader)

Jake is a first time leader from our McKinney campus. He was praying on the way to camp over his guys in his group for God to move in a big way.

There were 6 students that he felt God lay on his heart specifically. During Session Two, all 6 of those students came down for a prayer of repentance with Jake.

Jake said, "It's amazing how God spoke to me personally about being intentional about praying over people and expectant for God to move."

## Bailey

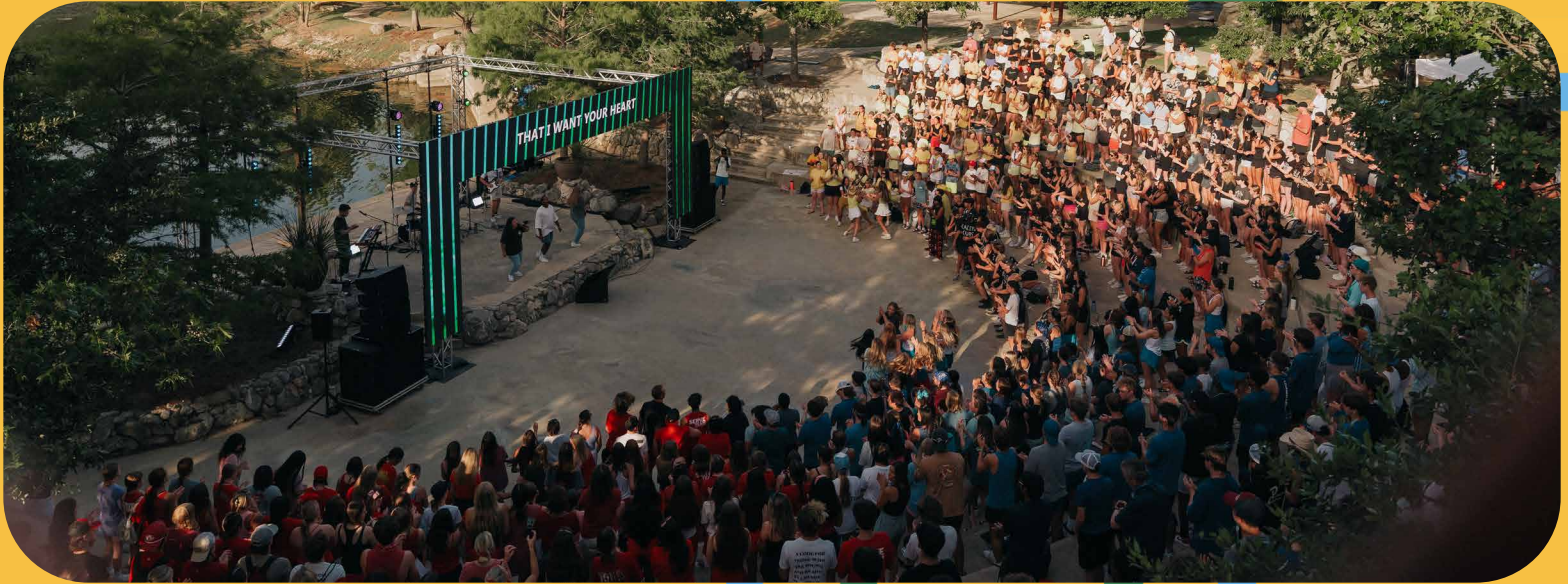

Bailey grew up in church but said that she hadn't experienced God's presence before and had her doubts in God.

During Session Two, she felt God calling to her and speaking to her through the message. When she responded to the altar call and her leader prayed for her, she felt as if God was speaking directly to her through her leader.

Throughout the week, Bailey kept on having more moments of God whispering to her heart and speaking to her through His Word and other people. She is coming out of camp with a deepened relationship with God and an assurance in her heart that God is real to her too.

# SESSIONS

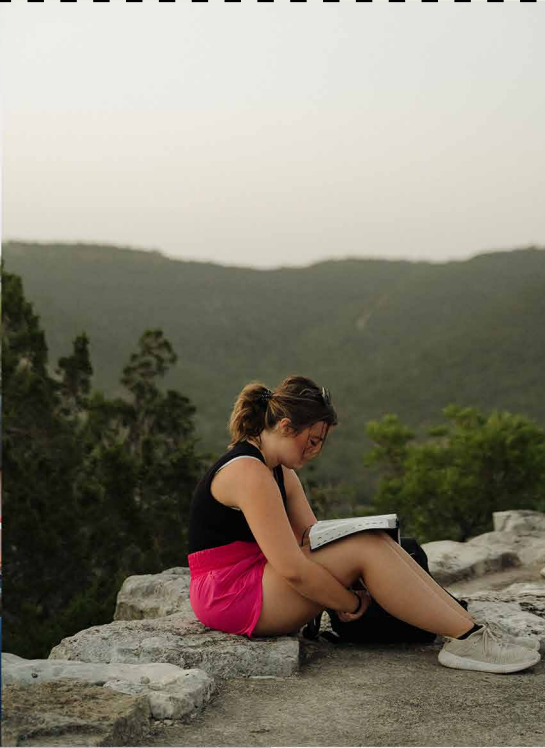

**This year at Summer Camp, we looked at the Life of David, learning from his successes as well as his failures. During sessions, students were saved, set free, marked by God, and changed forever. We are so thankful for impactful moments in God's presence!**

# Devotional Plan

**Coming out of Camp, all of our students & leaders are going through a 7 day devotional on the YouVersion Bible app that the Elevate team created called "Lessons From David". Each day has content that correlates with what we talked about during the High School Camp. Each small group goes through this together as a way to keep the group engaged relationally and spiritually.**
