STORIES

Annette

"I chose to be a small group leader at middle school camp because I've felt God calling me to invest more in the next generation. I had been praying for this group of girls, and on the first night I witnessed one of the most incredibly moving experiences of my life. One by one, all 5 of these girls responded to the Gospel and gave their lives to Jesus!"

Collyns

"I had felt God calling to me multiple times, but this week at camp I finally responded. I felt like my burdens were lifted!"

Kate

"I've been too scared to go all in with God. To finally not be scared and accept Christ was such a freeing feeling! All the weight I was carrying was lifted. I was crying tears of joy because I finally gave my life to the Person who means everything to me."

Natalie

"When worship started, I knew God was speaking to me. Previously, I had felt too scared to surrender my life to Jesus. But at camp, I got saved! Afterwards I felt so much relief and was crying with happiness and joy!"

Megan

"I went to church when I was younger. But this week at camp, I decided to follow Jesus for the first time and truly surrender!"

Alanna

"I felt like God was speaking directly to me. I surrendered my life to Jesus!"

STORIES

Dean

Night 1 at camp, Dean said he heard 2 voices in his head. One said, "it's time to give your life to Jesus!" and the other, "You're going to get made fun of." Dean took a step of boldness and surrendered his life to Jesus!

Dean said, "I had thought about giving my life to Jesus before but didn't know how. This week, I walked to the front of stage and gave my life to Jesus! I felt the Holy Spirit so strongly in that moment and am so excited I gave my life to Jesus!"

Chloe

Chloe gave her life to Jesus the first night at camp and she said that she felt God working through her. She wants to pursue a real relationship with Him!

"My brother has a relationship with Christ. I was nervous to come to camp, but I made friends and felt better. What I felt at session 1 was indescribable; it was God's presence. I never thought I would give my life to Jesus. But I took a step and prayed to God. I put my trust and faith in him!"

Matt

Matt came into camp feeling like he was carrying a big weight, something that he hadn't shared with others but was keeping inside. God started working on his heart and he opened up with his small group leader and felt a huge weight lifted.

Matt said, "I feel like I got closer to God and more open with Him. I just know that He's always there for me and will always help me."

ONS SESSIONS SES

This year at Summer Camp, we looked at the Life of David, learning from his successes as well as his failures. We looked to the book of Psalms to learn about prayer and worship, and gleaned many truths from the stories of David.

Devotional Plan

Coming out of Middle School Camp, all of our students & leaders are going through a 7 day devotional on the YouVersion Bible app that the Elevate team created called "Lessons From David." Each day has content that correlates with what we talked about during Middle School Camp. Each small group goes through this together as a way to keep the group engaged relationally and spiritually.

Thank You!

for investing in the next generation
